Competition, Travel, and Equipment Expenses

These expenses vary based on participation.

- Meet entry fees are billed by the Hurricanes and vary from \$20.00 to around \$100 per meet. The Hurricanes add an additional \$15.00 coaching and admin fee per swimmer. Specific entry fees can be found in the meet information posted on our calendar.
- Travel expenses vary by age and competitiveness. We will typically offer up to 2-4 Colorado meets per year that may require a hotel stay. True travel meets involving airfare will apply to our most advanced 14 and over swimmers.
- Equipment expenses will vary by group and family. T-shirts and caps are required for all swimmers competing in meets. Basic training gear is required for Categories 2 and up, and will range from \$75 - \$150 for a gear package. Most swimming gear is good for 2 or more years.
